## **Annual Progress Report (APR) Measuring Performance Outcomes Tri-State HELP Montana, South Dakota and North Dakota MTH200010 HOPWA Regular Year 2 9/1/2021 through 8/31/2022**

**OMB Number 2506-0133 (Expiration Date: 11/30/2023)**

The APR report for HOPWA competitively selected grantees provides annual information on program accomplishments that supports program evaluation and the ability to measure program beneficiary outcomes related to: maintain housing stability; prevent homelessness; and improve access to care and support. Reporting is required for all HOPWA competitive grantees. The public reporting burden for the collection of information is estimated to average 55 hours per manual response, or less if an automated data collection and retrieval system is in use, along with 60 hours for record keeping, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD's requirements for reports submitted by HOPWA formula grantees are supported by 42 U.S.C. § 12911 and HUD's regulations at 24 CFR § 574.520(b). Grantees are required to report on the activities undertaken only, thus there may be components of these reporting requirements that may not be applicable. This agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless that collection displays a valid OMB control number. While confidentiality is not assured, HUD generally only releases this information as required or permitted by law.

**Overview.** The Annual Progress Report (APR) provides annual performance reporting on clients' outputs and outcomes that enables an assessment of grantee performance in achieving the housing stability outcome measure. The APR fulfills statutory reporting requirements and provides the grantee and HUD with the necessary information to assess the overall performance and accomplishment of the grantee's program activities under the approved goals and objectives.

HOPWA competitive grantees are required to submit an APR for each operating year in which HOPWA grant funds were expended. Information on each competitive grant is to be reported in a separate APR. Grantees must complete Parts 1-5 on standard reporting elements. Grantees approved for "Other Activities", as detailed in their grant agreement, are requested to adapt the APR to report on their unique program accomplishments.

In addition, grantees must comply with the Federal Funding Accountability and Transparency Act 2006 (Public Law 109-282), which requires grant recipients to provide general information for all entities (including contractors and sub-contractors) receiving \$25,000+ in federal funding.

**Table of Contents**

**PART 1. Grantee Summary**

**PART 2. Grantee Narrative and Performance Assessment**

**PART 3. Summary Overview of Grant Activities**

- A. Information on Individuals, Beneficiaries, and Households Receiving HOPWA Housing Subsidy Assistance
- B. Sources of Leveraging and Program Income
- C. Performance and Expenditure Information

**PART 4. Summary of Performance Outcomes: Housing Stability, Prevention of Homelessness, and Access to Care**

**PART 5. Summary of Each Project Sponsor Information**

- A. Project Sponsor Information
- B. Rental Assistance, Short-Term Rent, Mortgage, and Utility Assistance and Permanent Housing Placement Assistance
- C. Facility-based Housing Assistance
- D. Supportive Services and Other Activities
- E. Annual Report of Continued Use for HOPWA Facility-Based Stewardship Units

**PART 6. Worksheet - Determining HOPWA Outcomes and Connections with HMIS**

**Continued Use Periods.** Grantees that received HOPWA funding for new construction, acquisition, or substantial rehabilitation are required to operate their facilities for HOPWA-eligible beneficiaries for a ten (10) year period. If no further HOPWA funds are used to support the facility, in place of filing the APR, the grantee must submit an Annual Report of Continued Project Operation throughout the required use periods. This report is included in Part 5E Annual Report of Continued Use for HOPWA Facility-Based Stewardship in this APR. The required use period is three years if rehabilitation is non-substantial.

**Record Keeping.** Names and other individual information must be kept confidential, as required by 24 CFR 574.440. However, HUD reserves the right to review the information used to complete this report for grants management oversight purposes, except for recording any names and other identifying information. **In the case that HUD must review client-level data, no client names or identifying information will be retained or recorded. Information is reported in aggregate to HUD without personal identification. Do not submit client or personal information in data systems to HUD.**

In connection with the development of the Department's standards for Homeless Management Information Systems (HMIS), universal data elements are being collected for clients of HOPWA-funded homeless assistance projects. These project sponsor records would include: Name, Social Security Number, Date of Birth, Ethnicity and Race, Gender, Veteran Status, Disabling Conditions, Residence Prior to Program Entry, Zip Code of Last Permanent Address, Housing Status, Program Entry Date, Program Exit Date, Personal Identification Number, and Household Identification Number. These are intended to match the elements under HMIS. The HOPWA program-level data elements include: Income and Sources, Non-Cash Benefits, HIV/AIDS Status, Services Provided,

Housing Status or Destination at the end of the operating year, Physical Disability, Developmental Disability, Chronic Health Condition, Mental Health, Substance Abuse, Domestic Violence, Medical Assistance, and T-cell Count. Other HOPWA projects sponsors may also benefit from collecting these data elements. HMIS local data systems must maintain client confidentiality by using a closed system in which medical information and HIV status are only shared with providers that have a direct involvement in the client's case management, treatment and care, in line with the signed release of information from the client.

**Operating Year.** HOPWA competitive grants are awarded for a three-year period of performance with APRs submitted for each of the three operating years. The information contained in this APR should reflect the grantee's operating year with the beginning date determined at the time the grant agreement is signed. Project sponsor accomplishment information must coincide with the operating year this APR covers. Any change to the period of performance requires the approval of HUD by amendment, such as an extension for one additional operating year. A renewal grant start date would be coordinated with the close out of the existing grant.

Grantees with an approved extension period of less than 6-months must submit the APR for the third year of the grant term at the end of the approved extension period and incorporate data from the additional months. Grantees with an approved extension period of 6-months or more must turn in an APR at the end of the operating year and submit a separate extension APR at the end of the extension period.

**Final Assembly of Report.** After the entire report is assembled, number each page sequentially.

**Filing Requirements.** Within 90 days of the completion of each operating year, grantees must submit their completed APR to the CPD Director in the grantee's State or Local HUD Field Office, and to the HOPWA Program Office: at HOPWA@hud.gov. Electronic submission to HOPWA Program office is preferred; however, if electronic submission is not possible, hard copies can be mailed to: Office of HIV/AIDS Housing, Room 7248, U.S. Department of Housing and Urban Development, 451 Seventh Street, SW, Washington, D.C., 20410.

**Definitions**

**Adjustment for Duplication:** Enables the calculation of unduplicated output totals by accounting for the total number of households or units that received more than one type of HOPWA assistance in a given service category such as HOPWA Subsidy Assistance or Supportive Services. For example, if a client household received both TBRA and STRMU during the operating year, report that household in the category of HOPWA Housing Subsidy Assistance in Part 3C, Chart 1, Column [1] in the following manner:

| HOPWA Housing Subsidy Assistance |  | [1] Outputs: Number of Households |
|----------------------------------|--|-----------------------------------|
| 1.                               | Tenant-Based Rental Assistance   | 1                                 |
| 2a.                              | <b>Permanent Housing Facilities:</b><br>Received Operating Subsidies/Leased units                                      |                                   |
| 2b.                              | <b>Transitional/Short-term Facilities:</b><br>Received Operating Subsidies   |                                   |
| 3a.                              | <b>Permanent Housing Facilities:</b><br>Capital Development Projects placed in service during the operating year       |                                   |

**Administrative Costs:** Costs for general management, oversight, coordination, evaluation, and reporting. By statute, grantee administrative costs are limited to 3% of total grant award, to be expended over the life of the grant. Project sponsor administrative costs are limited to 7% of the portion of the grant amount they receive.

**Beneficiary(ies):** All members of a household who received HOPWA assistance during the operating year including the one individual who qualified the household for HOPWA assistance as well as any other members of the household (with or without HIV) who benefitted from the assistance.

**Chronically Homeless Person:** An individual or family who : (i) is homeless and lives or resides individual or family who: (i) Is homeless and lives or resides in a place not meant for human habitation, a safe haven, or in an emergency shelter; (ii) has been homeless and living or residing in a place not meant for human habitation, a safe haven, or in an emergency shelter continuously for at least 1 year or on at least 4 separate occasions in the last 3 years; and (iii) has an adult head of household (or a minor head of household if no adult is present in the household) with a diagnosable substance use disorder, serious mental illness, developmental disability (as defined in section 102 of the Developmental Disabilities Assistance and Bill of Rights Act of 2000 (42 U.S.C. 15002)), post-traumatic stress disorder, cognitive impairments resulting from a brain injury, or chronic physical illness or disability, including the co-occurrence of 2 or more of those conditions. Additionally, the statutory definition includes as chronically homeless a person who currently lives or resides in an institutional care facility, including a jail, substance abuse or mental health treatment facility, hospital or other similar facility, and has resided there for fewer than 90 days if such person met the other criteria for homeless prior to entering that facility. (See 42 U.S.C. 11360(2)) This does not include doubled-up or overcrowding situations to which the HOPWA project assisted beneficiaries to remain in stable housing during the operating year. See *Worksheet - Determining HOPWA Outcomes and Connections with HMIS* for definitions of stable and unstable housing situations.

**In-kind Leveraged Resources:** These are additional types of support provided to assist HOPWA beneficiaries such as volunteer services, materials, use of equipment and building space. The actual value of the support can be the contribution of professional services, based on customary rates for this specialized support, or actual costs contributed from other leveraged resources. In determining a rate for the contribution of volunteer time and services, use the criteria described in 2 CFR 200. The value of any donated material, equipment, building, or lease should be based on the fair market value at time of donation. Related documentation can be from recent bills of sales, advertised prices, appraisals, or other information for comparable property similarly situated.

**Leveraged Funds:** The amount of funds expended during the operating year from non-HOPWA federal, state, local, and private sources by grantees or sponsors in dedicating assistance to this client population. Leveraged funds or other assistance are used directly in or in support of HOPWA program delivery.

**Live-In Aide:** A person who resides with the HOPWA Eligible Individual and who meets the following criteria: (1) is essential to the care and well-being of the person; (2) is not obligated for the support of the person; and (3) would not be living in the unit except to provide the necessary supportive or services. See *Code of Federal Regulations Title 24 Part 5.403 and the HOPWA Grantee Oversight Resource Guide for additional reference.*

**Master Leasing:** Applies to a nonprofit or public agency that leases units of housing (scattered-sites or entire buildings) from a landlord, and subleases the units to homeless or low-income tenants. By assuming the tenancy burden, the agency facilitates housing of clients who may not be able to maintain a lease on their own due to poor credit, evictions, or lack of sufficient income.

**Operating Costs:** Applies to facility-based housing only, for facilities

that are currently open. Operating costs can include day-to-day housing function and operation costs like utilities, maintenance, equipment, insurance, security, furnishings, supplies and salary for staff costs directly related to the housing project but not staff costs for delivering services.

**Outcome:** The degree to which the HOPWA assisted household has been enabled to establish or better maintain a stable living environment in housing that is safe, decent, and sanitary, (per the regulations at 24 CFR 574.310(b)) and to reduce the risks of homelessness, and improve access to HIV treatment and other health care and support.

**Output:** The number of units of housing or households that receive HOPWA assistance during the operating year.

**Permanent Housing Placement:** A supportive housing service that helps establish the household in the housing unit, including but not limited to reasonable costs for security deposits not to exceed two months of rent costs.

**Program Income:** Gross income directly generated from the use of HOPWA funds, including repayments. See grant administration requirements on program income at 2 CFR 200.307.

**Project-Based Rental Assistance (PBRA):** A rental subsidy program that is tied to specific facilities or units owned or controlled by a project sponsor. Assistance is tied directly to the properties and is not portable or transferable.

**Project Sponsor Organizations:** Per HOPWA regulations at 24 CFR 574.3, any nonprofit organization or governmental housing agency that receives funds under a contract with the grantee to provide eligible housing and other support services or administrative services as defined in 24 CFR 574.300. Project Sponsor organizations are required to provide performance data on households served and funds expended.

**SAM:** All organizations applying for a Federal award must have a valid registration active at [sam.gov](http://sam.gov). SAM (System for Award Management) registration includes maintaining current information and providing a valid DUNS number.

**Short-Term Rent, Mortgage, and Utility (STRMU) Assistance:** A time limited housing subsidy assistance designed to prevent homelessness and increase housing stability. Grantees may provide assistance for up to 21 weeks in any 52-week period. The amount of assistance varies per client depending on funds available, tenant need and program guidelines.

**Stewardship Units:** Units developed with HOPWA, where HOPWA funds were used for acquisition, new construction and rehabilitation that no longer receive operating subsidies from HOPWA. Report information is required for facilities that are subject to the minimum use requirements (three-year use agreement if rehabilitation is non-substantial and ten-year use agreement if rehabilitation is substantial).

**Tenant-Based Rental Assistance (TBRA):** TBRA is a rental subsidy program similar to the Housing Choice Voucher Program that grantees can provide to help low-income households access affordable housing. The TBRA voucher is not tied to a specific unit, so tenants may move to a different unit without losing their assistance, subject to individual program rules. The subsidy amount is determined in part based on household income and rental costs associated with the tenant's lease.

**Transgender:** Transgender is defined as a person who identifies with, or presents as, a gender that is different from the person's gender assigned at birth.

**Veteran:** A veteran is someone who has served on active duty in the Armed Forces of the United States. This does not include inactive military reserves or the National Guard unless the person was called up to active duty.

## Annual Progress Report – Measuring Performance Outcomes

### PART 1: Grantee Summary

OMB Number 2506-0133 (Expiration Date: 11/30/2023)

This section requests general grantee information. Please use Chart 1 to provide more detailed information about the agency(ies) and/or organization(s) responsible for the administration and implementation of this HOPWA program. When completing the chart(s), provide a response for every question using “N/A” to indicate if a particular question is not applicable to the Grantee. Do not leave any sections blank.

**Note:** Report all general information pertaining to project sponsors that perform housing and supportive services in Part 5A: Summary of Project Sponsor Information.

## Part 2: Grantee Narrative and Performance Assessment

Use the Grantee Narrative and Performance Assessment (items A through D) to succinctly describe in a one to three page narrative how activities enabled client households to improve housing stability, increased access to care and support, and reduced their risk of homelessness. Describe the organization of the HOPWA Program and how the program interacts with other housing and supportive service programs in the community and/or state. The narrative should detail program accomplishments, barriers to achieving stated performance goals, technical assistance needs and innovative outreach and support strategies utilized by project sponsors or partner organizations to achieve program goals. In addition, provide information on any evaluations of the project's accomplishments conducted during the operating year. This narrative will be used for public information, including posting on HUD's web page.

**A. Outputs Reported.** Describe program accomplishments including the number of housing units supported and the number households assisted with HOPWA funds during this operating year. Include a comparison between proposed (as approved in the grant agreement) and actual accomplishments, as demonstrated in Part 3: Overview of Grant Activities. In the narrative, describe how the different types of housing assistance are coordinated to serve clients. If your organization has a waiting list, please explain how it is administered.

Montana: Missoula, Open Aid Alliance: During the most recent operating year, Open Aid Alliance (OAA) supported 36 unique individuals from nine western Montana counties living with HIV with HOPWA Regular funds. Of the 36 individuals, 34 of them received TBRA assistance (goal of 30), and 6 (goal of 10) of the 36 also received PHP assistance. PHP funding was used to assist clients with application fees and security deposits. PHP funding was used to assist clients with application fees and security deposits. The goal was not reached due to higher expenditure needs per client.

The agency maintains a waitlist for TBRA guided by a waitlist policy. Housing Assistance Fund manages the waitlist with a needs-based approach and strives to serve those most in need. Need is scored based on an acuity scale which uses a scoring system and then prioritizes clients with the highest needs. It is administered by housing staff and the score is kept confidential. Homeless families or individuals, those who are medically fragile, or those with the lowest incomes are assessed through the assessment and prioritized accordingly. There is a bi-annual check-in with households or individuals to verify waitlist status, and a regular on-going conversation if meeting with housing navigators more regularly. If a client on the wait list no longer requires HOPWA assistance or no longer qualifies, all parties involved with the applicant's care are notified prior to being removed from the waitlist. Once an opening becomes available, the next applicant is contacted, as well as the next top three applicants on the waitlist to inform them of their status and to assist in planning for the upcoming move. Dates households are added or removed are documented on the Waitlist Tracker. Clients are added to the waiting list upon initial intake, and receive short-term, DPHHS funding until a space becomes available in the TBRA program.

Montana: Billings, HRDC7: During the operating year, HOPWA funds were able to assist a total of 34 households – 33 with housing assistance and 1 with supportive services only. 25 households received TBRA (goal of 14), 10 received STRMU (goal of 7), 2 of which were later transferred to TBRA. TBRA goal was surpassed due to some households' transitions and fluctuations in rental subsidy amounts.

34 households were provided with supportive services (goal of 23) including case management to help ensure connections with service providers, community partners, housing search assistance, and transportation. These have greatly improved the lives of participants. They have helped house homeless/temporary housing individuals and assisted several with the means to improve income or obtain income producing employment. Many have commented on the success they have accomplished with the wrap around services provided, especially in housing and overall stability in life. They work closely with their Section 8 partners to ensure our clients stay active on the waitlist and are successful with the paperwork and the move in once selected. 1 of the 34 did not receive housing assistance during the operating year, receiving supportive services only. 12 transportation and 13 grocery cards were issued to households.

There is currently a waiting list, and it is first come first serve. As soon as someone transitions or graduates off the program, the agency immediately reaches out to the first client on the list. The waitlist is a monitored excel spreadsheet. A waitlist is necessary because there is not enough funding to help everyone. Applicants are first screened to determine housing status and are given priority based on their degree of homelessness. Applicants are then prioritized based on application received/assessment date. As the recertification meetings are completed or as clients experience changes to their circumstances, the agency determines if rent portions need any adjustments. The program works to connect clients with mainstream benefits, permanent housing options, and to sources of earned income such as employment or training.

North Dakota: Bismarck, Community Action Region VII: During this operating year, CAP Bismarck served 8 households with TBRA (goal of 8) and 2 households with STRMU (goal of 5). 4 of these were new to the TBRA program and 1 to the STRMU program this year. All 10 households received supportive services. The STRMU goal was not reached because the two assisted had a large need including one household that needed mortgage assistance. This allowed the homeowner to get caught up and therefore, had the ability to refinance for a lower mortgage payment. CAP Housing continues to work with partner agencies for outreach and reducing barriers to assistance. They work closely with many Housing Authorities and case managers to ensure that everyone who goes on HOPWA and is eligible for Section 8, does apply and get on the waitlist. They also work closely with Ryan White agencies to promote HOPWA in the RW annual newsletter to try and reach more people.

Due to COVID related funding, a lot of Counties are utilizing more local funding to meet the immediate need for rental assistance, and it has been a struggle for the agency to add households to the program.

At this time, a wait list is not needed. One will be maintained in the future if there is need.

South Dakota: Sioux Falls, SF Housing and Redevelopment Commission: Twenty households received TBRA funding. Six households left the TBRA program. Of the six, 1 died, 2 were over the income limit due to employment and the other 3 were removed from the program due to jail and/or multiple program violations. Six households received PHP funds to help with security deposits and application fees. This exceeded the goal of 4 households. The PHP funds are used to assist prospective tenants who applied for TBRA funding.

There is a waiting list for TBRA. A prospective client completes the waiting list form. When a spot opens and TBRA funds are made available, a letter is sent to the person(s) at the top of the waiting list with an application for housing assistance.

**B. Outcomes Assessed.** Assess your program's success in enabling HOPWA beneficiaries to establish and/or better maintain a stable living environment in housing that is safe, decent, and sanitary, and improve access to care. Compare current year results to baseline results for clients. Describe how program activities/projects contributed to meeting stated goals. If program did not achieve expected targets, please describe how your program plans to address challenges in program implementation and the steps currently being taken to achieve goals in next operating year. If your program exceeded program targets, please describe strategies the program utilized and how those contributed to program successes.

Montana: Missoula, Open Aid Alliance Of the 36 individuals who received HOPWA Regular assistance during the operating year, all 36 maintained stable living environments in safe, decent and sanitary housing. One of the 36 individuals transitioned to a Section 8 voucher program. Thirty-one individuals maintained regular access to medical care per their individual service plan, and 33 of the 36 individuals had contact with a Case Manager. All but one individual accessed medical insurance. Through a continued close working relationship between OAA and the Ryan White Program at Partnership Health Center, connection to care was accomplished. This working relationship is crucial in becoming aware when clients have not connected with their care team and serves as a jumping off point for conversations about how to assist getting clients re-connected with care. OAA continues to meet weekly for internal case conferencing, which allows for collaboration between the Uncovery Treatment Team, Case Management and Housing to assist clients with maintaining stable housing and connecting with care.

Montana: Billings, HRDC7: All clients were able to access safe, decent, and sanitary homes through HOPWA. While the agency serves a vast area of Montana, all clients live within the larger cities of the state, and as a result have access to the clinics within those cities. Beyond this, they work closely with the Ryan White, the Mental Health Center, Riverstone, and public health offices to creating a collaborative team to better serve our clients. This ensures that struggling individuals receive, either directly or through referrals, the services, case management, support, medical attention, and stable housing arrangements needed to maintain a healthy stable life for them and their beneficiaries. Due to the age and disability status of clients, not all clients gained or maintained employment, but all received ongoing case management to assist them in their self-sufficiency as well as continued positive health outcomes.

North Dakota: Bismarck, Community Action Region VII: ND has a lot of mobile home/manufactured home parks. A large percentage of these parks are being bought out by companies who are raising lot rent rates. HOPWA has been able to assist with lot rent and thus allowing participants to keep homes that they worked so hard to pay off. This HOPWA grant has 1 current mobile homeowner, and another new individual will be starting Nov. 1st. Without HOPWA, they would

be facing lot eviction and possibly losing their home. With rising FMR's in most of the major counties in ND, clients have been able to "upgrade" into a nicer dwelling and/or better part of town.

South Dakota: Sioux Falls, SF Housing and Redevelopment Commission: Those households that received TBRA and Supportive Service assistance, 80% remained in stable/permanent housing. The remaining 20% who did not remain in stable housing, 15 % were removed from the program due to multiple violations of program rules and/or the law and the other 5% was due to death. 95% of the HOPWA clients had a housing plan in place and 95% were signed up for health insurance. 95% with a case manager and a health care provider, typically by phone and not in person unless there was a severe illness. The medical goals were achieved with the help of the Ryan White Part B (statewide coverage) and Ryan White Part C (Sioux Falls coverage).70% of the households on this grant were able to obtain/maintain a source of income. Of the 30% with no income, 15% left the program due to program violations and the other 15% are in the process of applying for Social Security disability.

**C. Barriers and Recommendations.** Describe any barriers (including regulatory and non-regulatory) encountered in the administration or implementation of the HOPWA program, how they affected your program’s ability to achieve the objectives and outcomes discussed, and actions taken in response to barriers, as well as recommendations for program improvement. You may select more than one from the following list. Specify a barrier for each explanation or description.

Montana: Missoula, Open Aid Alliance: HOPWA/HUD Regulations - There is a large amount of paperwork to collect, process, scan and file, and one of the most cumbersome parts of the paperwork is keeping up with the annual recertification process. In an effort to further manage client files, the previous full-time Housing Navigator position at OAA has been divided into two part-time positions. The first part-time position is the Housing Intake Coordinator, who meets with potential new clients in person and over the phone, assists with filling out paperwork and collecting required documents. This position also assists with referring new clients to resources within the agency and community. The second part-time position is the Housing Compliance Specialist. This individual will be responsible for processing paperwork and HOPWA/HUD file compliance. It is OAA’s goal that having a Housing Staff devoted entirely to file compliance will increase productivity and sustainability for the Housing Program as a whole.

Housing Availability - Housing availability and affordability continue to be barriers to housing. We encourage clients to maintain their current housing when possible, and connect clients with the Housing Advocate Network (HAN) for assistance with housing searches, as time is of the essence when affordable housing does become available. HAN’s volunteers have the capacity to work directly with OAA clients. The Housing Program at OAA also works closely with the OAA Case Management Team, who assists Housing clients with filling out applications and submitting application fees.

FMR - Many one- and two-bedroom units are above current FMR. Grantee is pending a response to the expedited waiver request.

Rental and Criminal Justice History - OAA continues to support clients with limited rental history and/or criminal justice history. OAA advocates for clients in the form of support letters and phone calls to landlords to explain the program and what housing is healthcare means for the clients we serve. OAA maintains a list of property management companies that are known to rent to people with a criminal justice history.

Montana: Billings, HRDC7: The housing market has been a real struggle for HRDC's clients in search of housing. There is literally zero affordable rental options right now and the amount required to move in is above and beyond too high for the average person to afford. For most rentals, move in costs exceed \$4,000 (deposit, first and last months' rent). Another complication HRDC ran into with a few clients was the client's mental health and their inability to accept their mental illness and take prescribed medicine as prescribed. This created a huge barrier to remaining/becoming self-sufficient and housed for these clients.

North Dakota: Bismarck, Community Action Region VII: Mental health, criminal backgrounds and poor rental history have and will always play a role in barriers when trying to house certain individuals/households. Fewer landlords are willing to work with some of the clients they serve. The sponsor agency works closely with their known landlords to reassure them that the rental program will always pay rent in a timely manner directly to the landlord. Another barrier is application fees and the lack of finding funding locally for this expense.

South Dakota: Sioux Falls, SF Housing and Redevelopment Commission: Major barriers to obtaining housing for HOPWA clients are credit and rental history, limited English skills, rental rate limits, and COVID-19 pandemic. Majority of HOPWA clients have poor credit history and rental history. This limits clients to certain rental properties/landlords who will provide housing. To remedy this, they provide application fees and security deposits, as well as case management, to help ease the hesitancy of landlords to rent to clients. In addition, some clients who immigrated to the United States encounter discrimination by some landlords who will not rent to them because they are from another country. Again, clients are backed by case management supports to help them navigate these situations. The rural nature of South Dakota makes it difficult to find housing within the rental rate limits in the HOPWA program. What is available for renters is too expensive in the smaller communities. Another barrier was the COVID-19 pandemic. The application and/or housing search process was impacted. A severe shortage of rental units due to new construction not keeping pace with people moving to Rapid City and Sioux Falls metro areas created difficulties with finding housing. Also, obtaining necessary documents, contacting/meeting with landlords, and not meeting the housing case manager/housing coordinator in person are examples of barriers faced by the applicants for the HOPWA program. They make efforts to ensure the clients are supported through phone conversations and mail, as well as communicating with landlords to answer any questions and encourage their participation in the rental program.

**D. Technical Assistance.** Describe any technical assistance needs and how they will benefit program beneficiaries.

Montana: Missoula, Open Aid Alliance: Training around landlord engagement and mediation. Guiding positive interactions with landlords and clients may increase housing outcomes and decrease conflict/evictions, saving money and bettering client's rental history. Landlords often have high barrier rental expectations; having the skills to navigate these concerns, while also applying fair housing guidelines may help mitigate risks for landlords and clients. Legal assistance for complicated housing situations (fair housing rights, criminal history, credit history, evictions). Laws applied between landlords and tenants are challenging to navigate and often air on the side of the landlord. Having legal assistance or a legal TA would greatly benefit our program and would better protect our program participants.

Montana: Billings, HRDC7: No answer

North Dakota: Bismarck, Community Action Region VII: No answer

South Dakota: Sioux Falls, SF Housing and Redevelopment Commission: They would like ongoing clarifications of mandated forms for client files, especially for supportive service only clients. Also continued clarifications of HOPWA policies coming from the federal level.

### Part 3: Summary Overview of Grant Activities

#### A. Information on Individuals, Beneficiaries, and Households Receiving HOPWA Housing Subsidy Assistance (TBRA, STRMU, Facility-Based Units, Permanent Housing Placement and Master Leased Units Only. Do not count Supportive Services in this section)

*Note: Reporting for this section should include ONLY those individuals, beneficiaries, or households that received and/or resided in a household that received HOPWA Housing Subsidy Assistance as reported in Part 3C, Chart 1, Row 7 (e.g., do not include households that received HOPWA supportive services ONLY).*

#### Section 1. Individuals

##### a. Total HOPWA eligible individuals\* receiving HOPWA Housing Subsidy Assistance

In Chart a., provide the total number of eligible (and unduplicated) low-income individuals living with HIV/AIDS who qualified their household to receive HOPWA housing subsidy assistance during the operating year. This total should include only the individual who qualified the household for HOPWA housing subsidy assistance but NOT all HIV positive individuals in the household.

| Individuals Served with HOPWA Housing Subsidy Assistance  | Total Number |
|---|--------------|
| Number of individuals with HIV/AIDS who qualified their household to receive HOPWA housing subsidy assistance | 99           |

*\*See definition section for clarification on HOPWA eligible individuals*

##### b. Prior Living Situation

In chart b, Indicate the prior living arrangements for all the individuals reported in Chart a. In Row 1, report the total number of individuals who continued to receive HOPWA housing subsidy assistance from the prior operating year into this operating year. In Rows 2 through 17, indicate the prior living arrangements for all new HOPWA housing subsidy assistance recipients during the operating year.

**Data Check:** *The total number of eligible individuals served in Row 18 equals the total number of individuals served through HOPWA housing subsidy assistance reported in Chart a above.*

**Section 2. Beneficiaries**

In Chart a., report the total number of HOPWA eligible individuals living with HIV/AIDS who received HOPWA housing subsidy assistance (*as reported in Part 3A, Section 1, Chart a*), and all associated members of their household who benefitted from receiving HOPWA housing subsidy assistance (resided with HOPWA eligible individuals).

*Note: See definition of HOPWA Eligible Individual.*

*Note: See definition of Beneficiaries.*

*Note: See definition of Transgender.*

*Note: The sum of each of the Charts b & c on the following two pages equals the total number of beneficiaries served with HOPWA housing subsidy assistance as determined below in Chart a, Row 4 below.*

**a. Total Number of Beneficiaries Served with HOPWA Housing Subsidy Assistance**

| Individuals and Families Served with HOPWA Housing Subsidy Assistance   | Total Number |

**Section 3. Households**

**Household Area Median Income**

Report the area median income(s) for all households served with HOPWA housing subsidy assistance.

**Data Check:** The total number of households served with HOPWA housing subsidy assistance should equal Part 3C, Row 7, Column [1] and Part 3A, Section 1, Chart a (Total HOPWA Eligible Individuals Served with HOPWA Housing Subsidy Assistance).

**Note:** Refer to <https://www.huduser.gov/portal/datasets/il.html> for information on area median income in your community.

**B. Sources of Leveraging and Program Income**

**1. Sources of Leveraging**

Report the source(s) of cash or in-kind leveraged federal, state, local or private resources identified in the grant proposal/renewal application and used in the delivery of the HOPWA program and the amount of leveraged dollars. In Column [1], identify the type of leveraging. Some common sources of leveraged funds have been provided as a reference point. You may add Rows as necessary to report all sources of leveraged funds. Include Resident Rent payments paid by clients directly to private landlords. Do NOT include rents paid directly to a HOPWA program as this will be reported in the next section. In Column [2] report the amount of leveraged funds expended during the operating year. Use Column [3] to provide some detail about the type of leveraged contribution (e.g., case management services or clothing donations). In Column [4], check the appropriate box to indicate whether the leveraged contribution was a housing subsidy assistance or another form of support.

**2. Program Income and Resident Rent Payments**

In Section 2, Chart a, report the total amount of program income and resident rent payments directly generated from the use of HOPWA funds, including repayments. Include resident rent payments collected or paid directly to the HOPWA program. Do NOT include payments made directly from a client household to a private landlord.

*Note: Please see report directions section for definition of program income. (Additional information on program income is available in the HOPWA Grantee Oversight Resource Guide).*

**a. Total Amount Program Income and Resident Rent Payment Collected During the Operating Year**

| Program Income and Resident Rent Payments Collected |  | Total Amount of Program Income (for this operating year) |

| 3.  | <b>Total Program Income and Resident Rent Payments (Sum of Rows 1 and 2)</b> | \$600  |

**b. Program Income and Resident Rent Payments Expended to Assist HOPWA Households**

In Chart b, report on the total program income and resident rent payments (as reported above in Chart a) expended during the operating year. Use Row 1 to report Program Income and Resident Rent Payments expended on Housing Subsidy Assistance Programs (i.e., TBRA, STRMU, PHP, Master Leased Units, and Facility-Based Housing). Use Row 2 to report on the Program Income and Resident Rent Payment expended on Supportive Services and other non-direct Housing Costs.

## Part 3: Summary Overview of Grant Activities

### C. Performance and Expenditure Information

Report the total number of households that received HOPWA assistance and the amount of HOPWA funds expended for each program activity provided. In each activity section, the total Row must contain an **unduplicated** total number of households assisted. An adjustment for duplication Row is provided in each section to ensure that the total is correct.

**Note:** See definition section for more information about *Adjustment for Duplication*.

**Data Check:** Data in this section is summarized from all project sponsors PART 5A-E submissions and therefore should match the combined total for those submissions. HOPWA housing subsidy assistance, supportive services, and housing placement activities are measured in households served while housing development activities are measured in units developed.

## Part 4: Summary of Performance Outcomes

### Housing Stability, Prevention of Homelessness, and Access to Care

In Column [1], report by type the total number of households that received HOPWA housing subsidy assistance. In Column [2], enter the number of households continuing to access each type of HOPWA housing subsidy assistance into the following year. In Column [3], report the housing status of all households that exited the program.

**Note:** Refer to the destination codes that appear in Part 6: Appendix: Worksheet on Determining HOPWA Outcomes and Connections with HMIS.

**Data Check:** The sum of Columns [2] (Number of Households Continuing) and [3] (Exited Households) equals the total households reported in Column [1].

B1: Total number of households receiving transitional/short-term housing assistance whose tenure exceeded 24 months

## Section 2. Prevention of Homelessness: Assessment of Client Outcomes on Reduced Risks of Homelessness (Short-Term Rent, Mortgage, and Utility Assistance)

Report the total number of households that received STRMU assistance in Column [1].

In Column [2], identify the outcomes of the households reported in Column [1] either at the time that they were known to have left the STRMU program or through the project sponsor's best assessment for stability at the end of the operating year.

Column [3] provides a description of housing outcomes; therefore, data is not required.

At the bottom of the Chart:

- In Row 1a, report those households that received STRMU assistance during the operating year of this report, and the prior operating year.
- In Row 1b, report those households that received STRMU assistance during the operating year of this report, and the two prior operating years.

**Data Check:** The total households reported as served with STRMU in Column [1] equals the total reported in Part 3C, Chart 1, Row 4, Column [1].

**Data Check:** The sum of Column [2] should equal the number of households reported in Column [1].

### Section 3. Access to Care and Support: Assessment of Client Outcomes on Access to Care and Support

#### 1a. Total Number of Households

Line [1]: For project sponsors that provided HOPWA housing subsidy assistance during the operating year, identify in the appropriate row the number of households that received HOPWA-funded housing subsidy assistance (TBRA, STRMU, Facility-Based, Permanent Housing Placement Services and Master Leasing) and HOPWA-funded case management services. Use Row c to adjust for duplication among the service categories and row d to provide an unduplicated household total.

Line [2]: For project sponsors that did **NOT** provide HOPWA housing subsidy assistance identify in the appropriate row, the number of households that received HOPWA-funded case management services.

*Note: These numbers will help you to determine which clients to report Access to Care and Support Outcomes for and will be used by HUD as a basis for analyzing the percentage of households who demonstrated or maintained connections to care and support as identified in Chart 1b below.*

| Total Number of Households   |            |

#### 1b. Status of Households Accessing Care and Support

Column [1]: Of the households identified as receiving services from project sponsors that provide HOPWA housing subsidy assistance as identified in Chart 1a, Row 1d above, report the number of households that demonstrated access or maintained connections to care and support within the operating year.

Column [2]: Of the households identified as receiving services from project sponsors that did NOT provide HOPWA housing subsidy assistance as reported in Chart 1a, Row 2b, report the number of households that demonstrated improved access or maintained connections to care and support within the operating year.

*Note: For information on types and sources of income and medical insurance/assistance, refer to Charts below.*

## Part 5: Summary of Each Project Sponsor Information

### B. Rental Assistance, Short-Term Rent, Mortgage and Utility Assistance Programs and Permanent Housing Placement Assistance

#### 1. Rental Assistance (RA)

Enter the total number of households served in Column [1] and the amount of HOPWA funds expended Column [2] by the project sponsor on RA.

| HOPWA Housing Subsidy Assistance Category:<br>RA |  | [1] Output: Number of<br>Households Served | [2] Output: Total<br>HOPWA Funds Expended<br>during Operating Year by<br>Project Sponsor |
|--|--|--|--|
| a.   | Tenant-based rental assistance (TBRA)  | 34   | \$109,307.21   |
| b.   | Other Rental Assistance (RA) Programs (if approved in grant agreement)   | 0  | 0  |
| c.   | Direct program delivery costs (e.g., program staff time)   |  | \$16,879.85  |
| d.   | <b>TOTAL Rental Housing Assistance (For Column [1] sum of Row a. &amp; Row b., for Column [2] sum of rows a – c)</b> | 34   | \$126,187.06   |

#### 2. Short-Term Rent, Mortgage and Utility Assistance (STRMU)

In Row a, enter the total number of households served and the amount of HOPWA funds expended by each project sponsor on Short Term Rent, Mortgage, and Utility assistance (STRMU).

In Row b, enter the total number of STRMU assisted households that received assistance with mortgage costs only (no utility costs) and the amount expended by the project sponsor assisting these households. In Row c, enter the total number of STRMU assisted households that received assistance with both mortgage and utility costs and the amount expended by the project sponsor assisting these households. In Row d, enter the total number of STRMU assisted households that received assistance with rental costs only (no utility costs) and the amount expended by the project sponsor assisting these households. In Row e, enter the total number of STRMU assisted households that received assistance with both rental and utility costs and the amount expended by the project sponsor assisting these households. In Row f, enter the total number of STRMU assisted households that received assistance with utility costs only (not including rent or mortgage costs) and the amount expended by the project sponsor assisting these households. In row g, report the amount of STRMU funds expended to support direct program costs such as program operation staff.

**Data Check:** The total households reported as served with STRMU in Row a, column [1] and the total amount of HOPWA funds reported as expended in Row a, column [2] equals the household and expenditure total reported for STRMU in Part 3C, Chart 1, Row 4.

**Data Check:** The total number of households reported in Column [1], Rows b, c, d, e, and f, should equal the total number of STRMU households reported in Column [1], Row a. The total amount reported as expended in Column [2], Rows b, c, d, e, f, and g, should equal the total amount of STRMU expenditures reported in Column [2], Row a.

**Part 5A: Summary of Each Project Sponsor Information – CAP Region VII, ND**

This section requests information on direct HOPWA service delivery activities for client households by organization or agency. For each organization or agency designated or selected to serve as a project sponsor, please complete the entirety of Parts 5A-E. Order the report as Part 5A-E for Project Sponsor 1, then Part 5A-E for Project Sponsor 2, etc.

*Note: If the grantee undertakes service delivery activities directly, complete the respective performance sections (Parts 5A-E) for all activities conducted by the grantee.*

*Note: If any information is not applicable to the organization, please report N/A in the appropriate box. Do not leave boxes blank.*

**2. Short-Term Rent, Mortgage and Utility Assistance (STRMU)**

In Row a, enter the total number of households served and the amount of HOPWA funds expended by each project sponsor on Short Term Rent, Mortgage, and Utility assistance (STRMU).

In Row b, enter the total number of STRMU assisted households that received assistance with mortgage costs only (no utility costs) and the amount expended by the project sponsor assisting these households. In Row c, enter the total number of STRMU assisted households that received assistance with both mortgage and utility costs and the amount expended by the project sponsor assisting these households. In Row d, enter the total number of STRMU assisted households that received assistance with rental costs only (no utility costs) and the amount expended by the project sponsor assisting these households. In Row e, enter the total number of STRMU assisted households that received assistance with both rental and utility costs and the amount expended by the project sponsor assisting these households. In Row f, enter the total number of STRMU assisted households that received assistance with utility costs only (not including rent or mortgage costs) and the amount expended by the project sponsor assisting these households. In row g, report the amount of STRMU funds expended to support direct program costs such as program operation staff.

*Data Check: The total households reported as served with STRMU in Row a, column [1] and the total amount of HOPWA funds reported as expended in Row a, column [2] equals the household and expenditure total reported for STRMU in Part 3C, Chart 1, Row 4.*

*Data Check: The total number of households reported in Column [1], Rows b, c, d, e, and f, should equal the total number of STRMU households reported in Column [1], Row a. The total amount reported as expended in Column [2], Rows b, c, d, e, f, and g, should equal the total amount of STRMU expenditures reported in Column [2], Row a.*

**D. Supportive Services and Other Activities – CAP Region VII, ND**

In this section, report on the use of HOPWA funds for supportive services and other activities.

In Chart 1, if the project sponsor provided both HOPWA funded supportive services AND HOPWA housing subsidy assistance check Box 1a. If the project sponsor provided supportive services but did not also provide HOPWA housing subsidy assistance, check Box 1b. If the project sponsor did not provide any HOPWA funded supportive services, check Box 1c.

**2. Listing of Supportive Services paid for with HOPWA funds provided by Project Sponsor Agency**

In Chart 2, project sponsors who provided HOPWA supportive services during the operating year (checked off Box 1a or 1b in Chart 1) should report the total of all households and expenditures for each type of HOPWA-funded supportive service delivered. Use Row 16 to adjust for duplication and Row 17 to provide an unduplicated household count. All project sponsors who provided supportive services with HOPWA funds during the operating year should report by supportive services activity the number of households served and HOPWA dollars expended.

*Note: Every project sponsor who checked off Box 1a or 1b above should report households served and funds expended by supportive service type in Chart 2 below.*

## Part 5: Summary of Each Project Sponsor Information

### E. Annual Report of Continued Usage for HOPWA Facility-Based Stewardship Units (ONLY) – N/A

The Annual Report of Continued Usage for HOPWA Facility-Based Stewardship Units is to be used in place of Section 5C of the APR if the facility was acquired, rehabilitated or constructed/developed in part with HOPWA funds but NO HOPWA funds were expended during the operating year. Scattered site units may be grouped together on one page.

Grantees that used HOPWA funding for new construction, acquisition, or substantial rehabilitation are required to operate their facilities for HOPWA eligible individuals for at least ten (10) years. If non-substantial rehabilitation funds were used they are required to operate for at least three (3) years. Stewardship begins once the facility is put into operation.

**Note:** See definition of “Stewardship Units”.

### Background on HOPWA Housing Stability Codes

#### Stable Permanent Housing/Ongoing Participation

3 = Private Housing in the private rental or home ownership market (without known subsidy, including permanent placement with families or other self-sufficient arrangements) with reasonable expectation that additional support is not needed.

4 = Other HOPWA-funded housing assistance (not STRMU), e.g. TBRA or Facility-Based Assistance.

5 = Other subsidized house or apartment (non-HOPWA sources, e.g., Section 8, HOME, Public Housing).

6 = Institutional setting with greater support and continued residence expected (e.g., residential or long-term care facility).

#### Temporary Housing

2 = Temporary housing: moved in with family/friends or other short-term arrangement, such as Ryan White subsidy, transitional housing for homeless, or temporary placement in institution (e.g., hospital, psychiatric hospital or other psychiatric facility, substance abuse treatment facility or detox center).

#### Unstable Arrangements

1 = Emergency shelter or no housing destination such as places not meant for habitation (e.g., a vehicle, an abandoned building, bus/train/subway station, or anywhere outside).

7 = Jail /Prison.

8 = Disconnected or disappeared from project support, unknown destination or no assessments of housing needs were undertaken.

#### Life Event

9 = Death, i.e., remained in housing until death. This characteristic is not factored into the housing stability equation.

**Tenant-based Rental Assistance:** Stable Housing is the sum of the number of households that (i) remain in the housing and (ii) those that left the assistance as reported under: 3, 4, 5, and 6. Temporary Housing is the number of households that accessed assistance, and left their current housing for a non-permanent housing arrangement, as reported under item 2. Unstable Situations is the sum of numbers reported under items: 1, 7, and 8.

**Permanent Facility-Based Housing Assistance:** Stable Housing is the sum of the number of households that (i) remain in the

housing and (ii) those that left the assistance as shown as items: 3, 4, 5, and 6. Temporary Housing is the number of households that accessed assistance, and left their current housing for a non-permanent housing arrangement, as reported under item 2. Unstable Situations is the sum of numbers reported under items: 1, 7, and 8.

**Transitional/Short-Term Facility-Based Housing Assistance:** Stable Housing is the sum of the number of households that (i) continue in the residences (ii) those that left the assistance as shown as items: 3, 4, 5, and 6. Other Temporary Housing is the number of households that accessed assistance, and left their current housing for a non-permanent housing arrangement, as reported under item 2. Unstable Situations is the sum of numbers reported under items: 1, 7, and 8.

**Tenure Assessment.** A baseline of households in transitional/short-term facilities for assessment purposes, indicate the number of households whose tenure exceeded 24 months.

**STRMU Assistance:** Stable Housing is the sum of the number of households that accessed assistance for some portion of the permitted 21-week period and there is reasonable expectation that additional support is not needed in order to maintain permanent housing living situation (as this is a time-limited form of housing support) as reported under housing status: Maintain Private Housing with subsidy; Other Private with Subsidy; Other HOPWA support; Other Housing Subsidy; and Institution. Temporarily Stable, with Reduced Risk of Homelessness is the sum of the number of households that accessed assistance for some portion of the permitted 21-week period or left their current housing arrangement for a transitional facility or other temporary/non-permanent housing arrangement and there is reasonable expectation additional support will be needed to maintain housing arrangements in the next year, as reported under housing status: Likely to maintain current housing arrangements, with additional STRMU assistance; Transitional Facilities/Short-term; and Temporary/Non-Permanent Housing arrangements. Unstable Situation is the sum of number of households reported under housing status: Emergency Shelter; Jail/Prison; and Disconnected.
